On **9-5-2025**, the Texas Commission on Environmental Quality required the **City of Gilmer** public water system, (**PWS ID TX#2300002**) to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of **9-6-2025**.

If you have questions concerning this matter, you may contact Jonathon Nix Public Works Director at 903-843-8206 or Mayor Tim Marshall at City Hall 903-843-2552. After normal business hours, you may call 903-790-7556. If you wish to speak to someone in person, you may visit City Hall at 110 Buffalo Street Gilmer Texas 75644.
